## The Supreme Knight

During January I had a busy time answering e-mails and correspondence.

I visited Head office and whilst I was there, I attended the 1st anniversary Mass for Archbishop Tartaglia. The Mass was held in St Andrews Cathedral Glasgow, and we were limited to 5 Brothers in attendance. The Brothers who attended were Myself, Frank Kelly, Regional Director for Scotland, J. O'Donnell, PGK Province 1, Tom Knight, PGK -Elect Province 16, Brian Henry Past Director.

The Mass was well attended by Bishops and Priests, and members of the public from the Archdiocese and from the rest of Scotland.

We arranged two Anniversary Masses in London on the 16th of January for Archbishop Tartaglia to allow the Southern Provinces the chance to attend. They were held in Hanwell and in Bexleyheath.

Brother Rosario Fichardo and Brother John Campolini kindly organised the event and represented myself at these Masses.

The Board of Directors met for a second time in January. We met at the Liner Hotel in Liverpool where we had a good and constructive meeting.

I attended The Virtual March for Life which was arranged by our Apostolate committee, and I would say it was a successful day. It was good to see our Irish Brothers join us. We are collaborating very well with the Knights of Columbanus this is the third or fourth thing we have joined in together, since October, and I know it will continue throughout the year.

I also attended a meeting with Helen Border from Divine Mercy Scotland to discuss the Mercy Bus tour for the North of England. Plans are at an early stage.

There were two Rosaries for the Repose of the soul of Mrs Jean Gallagher the wife of Past Director Brother Michael Gallagher I managed to attend the second one thanks to all who attended. It just goes to show what a wonderful tool that Zoom is.

We visited Jersey to plan for Supreme Council and met with the local organising committee, again a very productive Meeting thanks to Canon Dominic for all his support. All invitations to guests have gone out from Head Office.

## The Supreme Knight

Brothers if you have not booked your flights to Jersey already, please do so as soon as possible as we have seen the prices rise since they first came out at the beginning of January. You can claim your expenses immediately from Head Office.

### **Supreme Councils 2023 and 2024**

Brothers we are looking for bids for our next two Supreme Councils if you think your Province could hold Supreme Council contact Head Office for specifications. For 2023 we need bids in by June 2022

Brothers we have a very exciting year ahead of us with some wonderful initiatives to look forward to from our Supreme Directors.

May St Columba look after you and protect you all in Faith Love and Fraternity.

## Membership & Development

Dear Brothers,

What is great news, as we've entered 2022, albeit with the dreaded covid rearing its ugly head again, that social restrictions and the possibility of Churches being closed again isn't being discussed by our politicians. We must take heart in that and remember that 'if the Churches are open for business, so must we be'. Covid has of course taken the rug from under all our feet, but we must get our confidence back and show ourselves in the communities in which we serve. Not easy I'm sure for many of us but we must take the step to once again practice our faith and reignite ourselves once again in our Parishes. We will grow on from there, that's for sure.

~~~~~

Use every available tool you have, remember the good times and why you joined the KSC in the first place. Use your memories and experience to attract new men to continue our great work across the country. I loved the last two issues of Columba Magazine recently. It highlighted exactly what we're doing up and down the country in a brilliant way. Men of all backgrounds, joined together in Faith, Family and Fraternity cracking on Serving God by Serving Others. Use this magazine as recruitment tool. Order back copies from Head Office and lay them out where you can. If someone asks 'what do the Knights do?', give them a few magazines to take away. It's all captured perfectly in there and encapsulates exactly what we are all about.

~~~~~

The Surrey Shield is an annual award presented by the Supreme Knight to the Province which has recruited and retained the most Brothers. It wasn't awarded in 2021 at the Supreme Council in Liverpool. For the first time in the Order's history, each Province was in negative figures. Can WE change this for 2022? I know when my then PGK picked up this award for two consecutive years, in 2017 & 2018, it gave us all a huge sense of satisfaction and pride, leading to more Brothers joining. We all like getting a pat on the back for doing a good job, can your Province lead the way and pick up the Shield in October at Supreme Council? I know my own Province is certainly trying hard. We want it back and as it's in Jersey for Supreme Council in October, we want to keep it there!

The Surrey Shield 2022

We now begin the countdown to Supreme Council 2022

Can your Province win the magnificent Surrey Shield, awarded to the best performing Province for Membership & Development?

The Shield will be awarded at Supreme Council, held in the island of Jersey, over the weekend of 7-9 October 2022 by the Supreme Knight, Brother Henry Welsh, and the Supreme Director for Membership & Development, Brother Danny Ó hEarchaí

*Faith, Family, Fraternity*

## Membership & Development

I've carried out a little research on how to attract people to a church. Pretty similar to us really...

1. Make newcomers feel welcome. There are many reasons why someone hasn't been to church in a while
2. Shorten your sermons
3. Ask your congregation for feedback
4. Encourage church members to bring friends
5. Share videos on social media
6. Invite people with text messages

So relating the above to the KSC....

1. I think we are already. Do you make any potential Brothers welcome in Meetings? I'd say yes to that.
2. Shorten our Meetings. Yes indeed. Make them punchy; get your point across and move on the next item on the Agenda.
3. The Board of Directors have asked for feedback many times, but we seldom receive it. My Committee are constantly in touch, and I thank them for that. My email address is always on this Bulletin, but I very rarely receive an email 'Dear Danny, you know what I think about Membership and how to improve it'... It's difficult to gauge opinion with no benchmark to measure off.
4. Yes indeed, we must know someone at our local Churches who may be interested. If there are not, then why not? Relates to number 3, if I don't know about it, I can't effect change.
5. Something we're excellent at!

*Faith, Family, Fraternity*

## Membership & Development

6. Or an email! We all have mobile phones and I know of some brilliant WhatsApp groups within Provinces and Councils, it helps them run their Council. Let's embrace that more!

~~~~~

In the month of March, all being well, we will have the great joy of erecting a brand new Council, in Berwick-upon-Tweed. This is mainly down to the hard work of Brother Brian Beaton, the PGK of Province 3 (Edinburgh) and the Regional Director of Region 3, Brother Stephen McMillan. The town of Berwick is smack bang on the border of England and Scotland, hence Bro Brian's involvement. This new Council will also bridge the gap very nicely between the Councils in Middlesbrough and Edinburgh and gives us hope to increase more within the Diocese of Hexham & Newcastle, which doesn't benefit from a KSC Council in the Diocese. We've already met via Zoom the Bishop of H&N, His Lordship Bishop Robert, and he is so keen for us to expand in his Diocese. He has even given us our own co-ordinator to help us along the way, Reverend Father Peter Stott. A dream situation for us!

Can your Provinces try this too? Can the Regional Directors highlight areas within their Regions which have a gap and exploit that to recruit men to form a new Council?

These maps shows where the KSC are active, and where we are not. Plenty of areas which we can at least try and make an impression....

Areas With Councils

Areas Without Councils

*Faith, Family, Fraternity*

## Membership & Development

Of course, we don't expect to be in every area (although great if we were) but there is some interesting 'bridge gapping' which springs out. Namely:

- Can the 3 Scottish Provinces push on together and head north and south of the central belt? Oban, Moffat, Gretna for example?
- Can Region 3 fill in the gaps from coast to coast?
- Can the 2 Welsh Provinces meet in the middle? Less population of course but can small, working Councils of only 3 Brothers be created?
- Can Province 18 and 38 come together, pushing over to Province 9 to make Region 5 a 'Midlands Powerhouse' of Catholic Action?
- With these last 2 in mind, can Provinces 2 and 37 head south to meet Province 18, completing the job?
- Can Province 27 head down to Province 10 and combine geographically in their Region?
- Can the gaps between Province 12 and Province 34 be filled (south Kent)?
- Can Province 14 push west into Province 19 and, in turn, can they head into Cornwall (a Celtic 'nation' without a single Council). Can Province 14 also try Weston-super-Mare, Bristol and Bath - all large settlements without Councils.
- Can Region 7 with Province 12 'mop up' any Parishes in our Capital without Councils?
- Can Province 39 finally capture the hearts of Guernsey men and re-establish a Council in that island after a long wait of 19 years since that Council closed...

Please do let me know any thoughts, ideas, and suggestions:

## Spirituality & Welfare

My Dear Brothers

I am delighted to welcome Fr. Ryan Black onto the S&W committee. He has joined the Committee with the permission and Blessing of Right Rev John Keenan, Bishop of Paisley to whom I am grateful.

As a way of introduction Fr. Ryan was a Member of the KSC prior to his time in the Seminary and subsequent Ordination into Holy Orders on 15th August 2020. Fr Ryan on top of his Priestly duties in Paisley is also doing further studies for which we wish him well, so he is very busy. With this in mind Fr Ryan will be writing a short piece every other month for the Bulletin/Newsletter, his first installment follows.

*'I was delighted when Bro. Sean asked me to join the Spirituality and Welfare Committee of the Order. When I was active in my Council and Province in the years before I went to Seminary, it was almost exclusively within the sphere of Action and Youth, so this is a new experience for me, and one which I look forward to enjoying.*

*Brothers, in just a few weeks we will embark upon our annual Lenten journey towards Calvary. Although the season of Lent comes around each year, and even though it is one of the Church's penitential seasons, nevertheless it strikes me that in some profound way, we Catholics enjoy Lent. I encourage you to think about that; what is it about a season of prayer, fasting, alms-giving that attracts us? Shouldn't we run in the opposite direction when that familiar Ash Wednesday Gospel is proclaimed: "When you give alms... when you pray... when you fast...?"*

*I think what we find so attractive about Lent is the fact that it helps us to realise what is truly important in life. Whenever we carry out the three Lenten disciplines, we implicitly affirm that life is about more than us and our concerns. First and foremost, we renew our relationship with God, and we think about how our sins damage that relationship daily. We also reflect upon our relationships with others—those close to us and those whom we do not know—and we do what we can to build bridges and repair breaches. Finally, we think about our own place in life and about what really matters to us.*

*Of course, all of this is challenging, testing. That's the point. That's why Holy Mother Church always puts before us the story of Jesus' trial in the desert on the First Sunday of Lent. The challenges we face only become fruitful when we unite them with those*

*Faith, Family, Fraternity*

## Spirituality & Welfare

*faced by Our Lord in the wilderness, the garden and Golgotha. If we keep that in mind, we avoid running the risk of perceiving Lent as a time for testing how far we can push ourselves; we are not sadomasochists! Instead, when we unite our trials with those of our Lord, we come to understand that Lent is a time of preparation for the Resurrection of Jesus, much like the sojourn in the wilderness experienced by the Israelites before their entry into the Promised Land.*

*Think how fruitful this Lenten journey will be for you and your families if you embarked upon it with one question in mind: how will my Lenten disciplines help me to unite myself more closely to Jesus, who suffered and died for me on Calvary? That's challenging, Brothers, but isn't that the point?"*

Father Ryan Black

### **Caring for one another:**

As a race (Human Race) we all are social animals, but I ask you to imagine what it is like to be alone, without interaction with another living soul for day's and weeks running into months and even years? I have heard it said many times 'I like my own company', the question I always ask is "yes, but for how long"?

Loneliness can come on slowly and has a tendency to lead to depression and mental health issues, we can help to prevent that and I'm sure you would agree that prevention is always far better than a cure.

Many of us join the Order, to help our Church and the Clergy, but the other thing many of us enjoy is the interaction between Brothers, the friendship and the interaction with other Brothers, in the Meetings, collective actions and social evenings we found that the majority of us were able bodied, with some of the older Brothers in varying degrees not as agile as they once were, but they made the effort to come and support the Council as much for interaction with other Brother Knights.

As our older Brothers and some of the younger ones become unable to attend Meetings or events, tend to too quickly be forgotten, with no contact with the Brothers of the Council, as a fraternal Order we should never let that happen to any of our Brothers and it will never happen if we live up to the virtues of our great order. In your Charity

*Faith, Family, Fraternity*

## **Spirituality & Welfare**

please contact these Brothers, in the true spirit of Fraternity show that Brotherly love by offering your time and effort to call them and in Unity we can work together to prevent our Brothers feeling alone, unloved and unwanted.

Remember Brothers this does include everybody from Past Supreme Knights to a Brother who attained Full Knighthood, has worked hard and supported everything he could when he was fit and able, but never felt confident enough to take Office. Unless we take action Brothers, it will all to soon be our turn to be forgotten.

## Youth & Young People

**Note: As with all the Supreme Directors Report in this Head Office Bulletin. Can I respectfully remind each Provincial and Council Officer that they are required to include a precis/summary of the HO Bulletin in their written Provincial and Council reports, in order to bring it to the attention of the Brothers when emailed in the Provincial and Council Newsletter and Minutes. At the very least he should read it out in the Council meeting.**

My comments for February 2022 follows: Brothers Engage! Engage with our Young People by promoting our Youth events and Competitions by using the Pulpit/Lectern to announce each Competition as well as sending them direct to our Schools. Use the Parish newsletter to announce each Competition. Put all Youth events and Competitions on your Council, Province website and especially on your Parish websites. A Monsignor confirmed his Parish Communities reliance on the Parish website since the Pandemic forced all of us to use the website for up-to-date information about our Parish Life. Also, ensure you print posters and put them on the Parish Notice Board. Please ensure that you request a KSC page on the Parish website and then use it and keep the information up-to-date please. Let us make 2022 a productive year for our Youth and for our Order

### Things to do

- Can you ask your Primary/Secondary School, College or University Catholic Chaplaincy if you could come in and introduce the Knights of St Columba to them in 3-5mins?
