

KNIGHTS OF ST COLUMBA

AUGUST 2020

e Columba

Mission Statement — *As Brothers of the Knights of St. Columba we are resolved through our own efforts, prayer and the guidance of the Holy Spirit to increase the Membership of our Order so that we can more effectively work for Christ's Kingdom.*

During this COVID-19 pandemic I have both seen and heard of all the great work in local communities that is happening. In built up areas, where people tend not to call on their neighbours or indeed know them, we now see whole streets coming together to help each other.

Is this not Fraternity?

Faith

So let us again look to the future with a positive thought in the words used in the Easter message of Pope Francis:

“Why are you afraid? Have you no faith?” Faith begins when we realise we are in need of salvation. We are not self-sufficient; by ourselves we flounder: we need the Lord, like ancient navigators needed the stars. Let us invite Jesus into the boats of our lives. Let us hand over our fears to him so that he can conquer them. Like the Disciples, we will experience that with him on board there will be no shipwreck. Because this is God’s strength: turning to the good everything that happens to us, even the bad things. He brings serenity into our storms, because with God life never dies”.

Family

Of course times are hard on families, with some unable to meet due to distance. Here again technology has taken over, but we still yearn for that closeness. We will find a way forward as soon as lockdown releases us, but certainly we will not be going back to the way we were in early March 2020. Any changes must be embraced by the Order but we will still continue with the motto

Faith—Family—Fraternity.

Fraternal regards,

Bertie M Grogan

Supreme Knight.
